

**GATEWAY**  
CITY CHURCH

**WORSHIP  
MINISTRY  
EXPECTATIONS**

***We're excited about all that God is doing in & through our worship ministry. We're looking forward to hearing from you!***

We are looking for people who passionately love God and want to share that love through music! We hope you have a personal relationship with Jesus Christ that is consistent and growing. Our main goal as a worship ministry is to lead people into the Presence of God through inspired music where they will be transformed!

## OUR VALUES

- Love for God's House
- The Presence of God & His Word
- Character
- Unity
- Current style
- Inspiring Expression
- Mentorship

## GUIDELINES

- Be a committed member of Gateway City Church, including regular attendance for at least **four months** before interviewing.
- Demonstrate technical excellence as a singer, musician or audio tech.
- Singers & musicians should be comfortable on stage & expressive in their worship to inspire others to do the same.
- Be consistent in tithing to Gateway City Church. Tithing is worship!

## COMMITMENT TO A HOLY LIFESTYLE

Worship team members of Gateway City Church are expected to live a lifestyle that is pleasing to God, avoiding the appearance of evil. Being a minister who is up front adds extra responsibility because people see us as examples of what a Christian should be like. Therefore, it is important that we consider the way we treat each other and carefully guard our hearts and actions from impurities and pride.

It is God's desire and the desire of Gateway's pastors to see our worship team members living a victorious Christian life, free from bondages. If there are any addictions or issues with which you struggle, please let us know – we are here to help you, not to judge you.

The following issues should be dealt with **before** any public ministry position is taken: *Alcohol/drug abuse, sexual immorality, prideful attitude, anger issues, inability to submit to leadership, gossiping or any unbiblical lifestyle.*

## SCHEDULE

Typically each team member will be scheduled 1-2 times per month.

Arriving on time and ready for practice is **essential** for each member! In order to present worship music that is both excellent in quality and anointing, an efficient practice is necessary. The more we practice, the freer we are able to worship prophetically and spontaneously!
